Professional Practice

Kyle is an associate in Peter & Kim's Singapore office, specialising in high value international commercial arbitration and arbitration-related litigation. Kyle has acted as counsel under various arbitral institutions, as well as before the Singapore High Court and Court of Appeal.

Kyle has challenged and enforced arbitral awards, and obtained and resisted applications for interim measures in favour of arbitration including worldwide freezing injunctions and proprietary injunctions. These disputes frequently engage novel issues of law across numerous jurisdictions and legal systems.
